\$4.50 per account (one transponder included) plus \$1.00 for each additional transponder minus the total cost in tolls paid

- If your I-15 tolls exceed the monthly plan amount, you owe nothing.
- If your I-15 tolls do not exceed the monthly plan amount, you owe only the difference.
- Your monthly fees will be automatically deducted on the first day of the following month. For example, May fees would be deducted June 1.
- Only tolls incurred on the I-15 Express Lanes through electronic toll payment using a valid transponder registered to the I-15 Express Lanes account contribute toward the account plan. Transactions on other FasTrak toll roads and bridges will not count toward the fee total.
